111 Tempting Reasons to Stroll Through Canterbury

Nicolette Loizou

111 Places in Canterbury That You Shouldn't Miss

Walk in the footsteps of England's first Christian queen, or of murderous knights, smugglers and an infamous bigamist. Follow your nose to markets offering Kent's bounty, or your ears to the birthplace of the 'Canterbury Sound'. And seek out World War II fortifications, or Roman burial sites.

Discover Canterbury, Herne Bay and Whitstable

This book captures Kent life as it should be – relaxed, carefree and brimming with the ancient and the modern. Take your pick of regal treats which include ancient churches, lengthy piers and in-your-face graffiti. Seaside haunts and a village city display a county at the forefront of Europe that remains unmistakably English. Relics from Christianity's pioneers join modern art and literature in a cultural tangle that thrives to this day. Kings, queens and archbishops vvy for the local crown but jewels are all scattered around this region.

Experience the less explored pockets of this iconic region through the eyes and words of an enamoured local. Join Nicolette Loizou, as she leads you away from the more famed attractions sharing entertaining insights, cultural anecdotes and insider tips.

Explore 111 uncommon and eccentric places in Canterbury, Herne Bay and Whitstable that will delight long-time locals and intrepid travellers alike.

Nicolette Loizou was born and is based in Kent and studied at the London College of Communication. She loves writing about travel and has contributed to *The Guardian*, *South China Morning Post* and *The Independent* after many years of hot-footing it around the world. She is a big fan of Kent and its varied sights and sounds and loves the region for its laid-back charm and huge variety of things to do. When she is not writing she likes cooking and going to see live bands.
